3) Adding a New Guitar

The screenshot shows a web browser window with the address bar set to 'localhost'. The browser tabs include 'MAMP', 'localhost:8888 / localhost / guitar_shop / users | phpMyAdmin 5.2.1', and 'Guitar Shop'. The 'Guitar Shop' page has a dark header with the title 'Guitar Shop' and navigation links: 'Home', 'Add Guitar', 'View Cart', and 'Logout'. The main content area features a white box titled 'Add New Guitar' with the following form fields: 'Brand:' (text input with 'HIV'), 'Model:' (text input with '234'), 'Type:' (text input with 'Classics'), 'Price:' (text input with '450'), 'Quantity in Stock:' (text input with '2'), and 'Description:' (text area with 'Good'). A black 'Add Guitar' button is located at the bottom of the form.

4) Added successfully

The screenshot shows the same 'Guitar Shop' page as before, but with a green message 'Guitar added successfully!' displayed above the form fields. The form fields are now empty: 'Brand:', 'Model:', 'Type:', 'Price:', 'Quantity in Stock:', and 'Description:'. The black 'Add Guitar' button remains at the bottom of the form.

5)list of newly added guitar

The screenshot shows a web browser at localhost with the 'Guitar Shop' application. The navigation bar includes 'Home', 'Add Guitar', 'View Cart', and 'Logout'. The main section is titled 'Available Guitars' and displays four guitar listings in a grid. Each listing includes the guitar's name, type, price, quantity, a brief description, and three buttons: 'Add to Cart', 'Edit', and 'Delete'.

Guitar Name	Type	Price	Quantity	Description
Fender Stratocaster	Electric	\$1200.00	10	A classic Fender Stratocaster with a versatile tone.
Gibson Les Paul	Electric	\$2500.00	5	The iconic Gibson Les Paul featuring a rich, full sound.
Martin D-28	Acoustic	\$3000.00	3	A top-of-the-line acoustic guitar with impeccable craftsmanship.
H1V 234	Classics	\$450.00	2	Good

6)adding it to the cart

The screenshot shows the 'Your Cart' page of the 'Guitar Shop' application. The navigation bar includes 'Home' and 'View Cart'. The main content area displays a table with the items currently in the cart. The table has columns for 'Brand', 'Model', 'Quantity', 'Price per unit', and 'Actions'. There are two items in the cart: 'H1V' (Model 234) and 'Fender' (Model Stratocaster). Each item has a 'Remove' button next to it. Below the table, there is a 'Proceed to Checkout' button.

Brand	Model	Quantity	Price per unit	Actions
H1V	234	1	\$450.00	<button>Remove</button>
Fender	Stratocaster	1	\$1200.00	<button>Remove</button>

Proceed to Checkout

7)Delete functionality in cart

The screenshot shows a web browser window with the address bar set to 'localhost'. The page title is 'Your Cart'. Below the title, there are links for 'Home' and 'View Cart'. A table displays the cart contents:

Brand	Model	Quantity	Price per unit	Actions
H1V	234	1	\$450.00	Remove
Fender	Stratocaster	1	\$1200.00	Remove

Below the table, there is a button labeled 'Proceed to Checkout'.

Open "localhost:8888/guitar-shop/remove_from_cart.php?guitar_id=1" in a new tab

The screenshot shows the same web browser window after the H1V item has been removed. The table now only contains the Fender Stratocaster item:

Brand	Model	Quantity	Price per unit	Actions
Fender	Stratocaster	1	\$1200.00	Remove

The 'Proceed to Checkout' button remains visible below the table.

Open "localhost:8888/guitar-shop/remove_from_cart.php?guitar_id=4" in a new tab

8) logout will again leads to the login page
